# MSHCA Mission Statement & Competencies

## HCA Mission Statement

The purpose of the Master of Science in Health Care Administration Program (MSHCA) is to prepare evidence based, reflective practitioners for management and administration in health care organizations and to advance the following principle:

*All health care organizations, professional groups and private and public purchasers should adopt as their explicit purpose to continually reduce the burden of illness, injury and disability and to improve the health functioning of the people of the United States. (US Guiding Principle for Health Care from President Clinton's Advisory Council)*

## Professional and Academic Standards

Consistent with established university academic and professional standards, students must develop and demonstrate integrity in all activities to inspire public confidence and trust. Students and applicants found by formal review of the department, to be lacking in academic integrity or in professional ethical standards of behavior may be denied admission, placed on probation, suspended or dismissed from the programs. Such departmental actions are, of course, subject to university review and appeal.

## Competencies

*Competency 1: Students will develop competency in broad integrative knowledge.*

- Examples of aspects to be assessed might include the knowledge, skills, and abilities associated with scientific processes, the history and practice of the discipline, effects of other institutional influences (political, economic, social), and applicable theories. A demonstration of skills in team processes and personal interactions is just as important.

*Competency 2: Students will develop competency in the specialized knowledge of health care administration.*

- Examples of aspects to be assessed might include knowledge of health care systems, the effects of political and economic processes, strategic and operational management, health care and organizational theories, and the ability to recognize and resolve ethical dilemmas.

*Competency 3: Students will develop competency in critical thinking.*

- Examples of aspects to be assessed are the ability to interpret and apply theory, structure problems, organize and defend an argument, analyze ethical dilemmas, communicate orally, evaluate information, develop focused, coherent, and grammatically correct written communications, and develop action plans and change strategies to promote health for a diverse public.

*Competency 4: Students will demonstrate competency in applying their learning.*

- Examples of aspects to be assessed include the ability to develop, conduct and report social science research, analyze case studies, develop strategic plans, perform CQI, and successfully complete an internship or practicum that includes a form or operational or project management.

# MSHCA Curriculum

The minimum number of units for this CSU Graduate Program is 30-36 semester units. In the **MS-HCA Program**, applicants with 3 to 5 years of middle management or administrative experience or a related terminal degree are evaluated at admission regarding satisfaction of the internship requirement. The internship requirement but not the units is also considered satisfied by at least one year of experience (at the discretion of the Program Director). This decision regarding the internship is made at admission or during establishment of the Program of Study. When a student is designated as needing to fulfill the requirement but subsequently is employed for at least 6 months in health care, the Director will re-evaluate and may determine the requirement satisfied.

## **Requirements for the MSHCA Program (27 units)**

PPA 4010: Analytical Methods in Admin. (3 units)  
HCA 5050: Manage Financial Dlvry Hlth Care (3 units)  
HCA 5140: History & Context in U.S. Hlth Care (3 units)  
HCA 5260: Marketing in Hlth & HR (3 units)  
HCA 5360: CQI in Hlth & HR (3 units)  
HCA 6030: Research Methods in Administration (3 units)  
HCA 6180: Health Policy & Research (3 units)  
PPA 6110: Public Finance & Budgeting (3 units)  
HCA 6620: Legal & Ethical Issues in Hlth Care (3 units)

## **Applied Research Project/Thesis (3 units)**

HCA 6980 – Candidates for the MSHCA degree must complete a culminating activity in accordance with Title V of the California Administrative Code.

## **HCA 6860 Internship (3 units)**

Graduate students who do not have two years of supervisory experience in the health care sector will be required to take a health care sector internship.

**Electives (3-6 units)** to complete the program unit requirements must be approved by the Director of the Program and may be taken in any semester.

## ***Grade Point Average (GPA)***

- All graduate students are required to maintain a cumulative 3.0 grade point average in all graduate course work.

## Internship or Practicum

The purpose of the internship is two-fold: first, an opportunity for the student to apply learning in a health care organization; and secondly to provide an opportunity for the student to observe management in action. To that end the internship (HCA 6860) or practicum course (HCA 5361) for 3 units is included and graded as credit/no credit. The internship is satisfied through the following:

- Adheres to the professional attire and behavior of the organization
- A minimum of 200 service hours
- Leadership and completion of a management project
- Attendance at management level meetings to observe and support managers making decisions
- Integration of budget information for the unit
- Other duties as assigned
- Participation in an exit interview assessing performance strengths and limitations
- Develops and submits to the Program Director a reflective paper, 3-5 pages assessing the internship

The student participates with the Program Director in developing a syllabus for the course and registers for the course before the internship begins. The placement agency may have additional requirements for the student, for example, fingerprinting or health tests or an exam.

Advance planning is necessary and should begin during the second semester the student is in the program. While it is difficult to align internship experiences with the semester system efforts toward that end are expected.

In Kern County and in particular the Bakersfield community internships are rarely paid. However, internships satisfy the applied service requirement for the program.

When an internship is unpaid---pro bono---the student has an opportunity to apply for a paid stipend offered through a donation by The Girish and Patel Foundation. These stipends are competitive and limited. The student completes an application; the decision is made by the PPA Department; and the award provided at the end of the completed internship.

## Culminating Experience

The CSU system requires a culminating experience for graduate education. The MS HCA program requires students to complete an applied research project as a prerequisite to graduation and awarding of the degree. Admission to the course HCA 6980 is controlled through the use of an application form. See Appendix. The completed form is taken to the Advising Office for entry into your semester courses. **NOTE: You are not able to register yourself for this course.**

# Tuition and Fees Per Semester

Tuition is expected to increase by 6% annually for the next five years, starting with the 2024-2025 academic year.

For more information, please visit the [Financial Aid Office](http://www.csub.edu/financial-aid) at [www.csub.edu/financial-aid](http://www.csub.edu/financial-aid) or contact Financial Aid at 661-654-3016.

## Graduate Student Fees per Semester:

Item Fee	0 to 6.0 Units	6.1 and Above
Graduate Tuition/Fee	\$2,208.00	\$3,804.00
ASB Fee	229.35	229.35
Health Facility Fee	3.00	3.00
Health Service Fee	193.80	193.80
Instructional Related Fee	91.25	91.25
Runner Card Fee	6.00	6.00
Student Union/SRC Fees	452.60	452.60
Campus Programming Fee	25.00	25.00
TOTAL FEES	\$3,209.00	\$4,805.00

If you are **not a resident of California**, you must add \$420.00 for each unit you take to your tuition total.

## Example Non-Resident Tuition for a graduate who wishes to register for three classes (9 units):

- Total California Resident Tuition and Mandatory Fees: \$4,805.00
- Multiply the number of units (9) by \$420 Non-Resident Fee = \$3,780.00
- Add the three amounts together for a total = \$8,585.00

Students may be exempt from non-resident classification if they are a teacher, military service member, California high school graduate who has attended a California high school at least three years, or a dependent child of California residents. If so, you must apply for an exemption every semester through Enrollment Services.
