JACQUELYN KEGLEY FACULTY LEADERSHIP & SERVICE AWARD 2025/2026

Nominations due by March 23, 2026

The Faculty Leadership and Service award was established in 1996/97 by the Academic Senate of California State University, Bakersfield and the CSUB Foundation in order to recognize and encourage outstanding contributions to the principle and practice of shared governance and service to the community. Faculty leadership is critical to providing an educational experience of high quality and to the overall mission of CSUB.

Jacquelyn Kegley, who played an instrumental role in the creation of CSUB's Academic Senate and served as its Chair for many terms, was subsequently designated "Senate Chair Emerita." In recognition of her decades of exemplary leadership, outstanding contributions, and numerous commendations and awards, and by Senate resolution approved October 15, 2025, the Faculty Leadership and Service Award was renamed the Jacquelyn Kegley Faculty Leadership and Service Award. We are pleased to announce the beginning of the nomination process for the Jacquelyn Kegley Faculty Leadership and Service Award.

Nomination Process

You are encouraged to participate. CSUB is known for its excellent faculty, and now is the time to formally acknowledge a faculty member you feel is *especially* deserving of recognition. The nomination process is simple:

Nominations must be submitted **electronically** to Julie Kang (hkang8@csub.edu) by **March 23, 2026** and include the nominee's most current abbreviated vita and a written statement not to exceed 600 words, summarizing the reasons for the nomination. The statement should be concise and factual and confined to issues related directly to the contributions, achievements, and currency as articulated in criteria for selection. The following rules apply:

- ❖ Any full-time faculty member is eligible.
- ❖ Nominations may be submitted by administrators, faculty, students, or alumni. No self-nominations shall be accepted.
- ❖ The criteria for the award call for outstanding efforts and service toward collegial governance, and service to the community and the University service region.
- ❖ After receiving the nomination, the Faculty Honors and Awards Committee will reach out to the nominee's department or unit to solicit its collective decision whether to support, oppose, or take no position regarding the nomination.

The Faculty Honors and Awards Committee will select a nominee to submit to the CSUB Academic Senate for approval. The Faculty Leadership and Service Award recipient will receive University recognition and a \$1,000 stipend.
